

ARGUMENTS/REMARKS

Applicants would like to thank the examiner for the careful consideration given the present application. The application has been carefully reviewed in light of the Office action, and amended as necessary to more clearly and particularly describe and claim the subject matter which applicants regard as the invention.

Claims 25-38 remain in this application. Claims 1-24, and 39-40 have been canceled. The examiner has acknowledged that claims 25-38 are directed to allowable subject matter. Accordingly, all claims remaining in the case are in a condition for allowance, and notice to that effect is hereby requested. If it is determined that the application is not in a condition for allowance, the examiner is requested to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application and to avoid unnecessary extension of time fees.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 16-0820, our Order No. 33677.

Respectfully submitted,
